

ATTENTION CONTRACTORS SIGNIFICANT ELMENDORF VEHICLE ROUTE CHANGES

Motor vehicle access and routes onto Elmendorf Air Force Base will be changed temporarily to allow for major construction at the Boniface Parkway Gate.

Boniface Gate will be closed from Thursday April 15 through Monday July 12, 2004. Construction of a new entrance pattern will take place including constructing a vehicle search area and installing "serpentine" barriers for controlling access speed. Traffic will weave in an "S" pattern both entering and exiting Elmendorf. The "serpentine" barrier projects will also be placed at Government Hill, Muldoon and Post Road gates in the coming weeks.

Visitor Center to relocate to Muldoon Gate. All temporary and permanent passes, visitor passes, base vehicle registration, etc. will be handled from this relocated temporary center. This includes visitors to the US Army Engineer District.

Government Hill and Muldoon Gates will be operating 24 hours a day, 7 days a week during the Boniface closing.

Post Road Gate operating hours will NOT change, and will remain at 6 a.m. to 6 p.m., Monday through Friday. Closed weekends.

Updates, changes, etc., will be posted as received from the Elmendorf USAF Security Squadron.

Those accessing the base should consider alternate gates during peak traffic times, as well as allowing additional travel time for the delays that will result from the serpentine barriers and the closing of Boniface Parkway Gate. Single lane entry at existing gates will continue with the loss of double lane entry at Boniface. Past closings have resulted in several days of considerable traffic congestion as everyone adjusts to the changes and seeks the shortest entry line.

Access through Government Hill or Post Road gates without a base vehicle sticker and a DoD access card. TDY visitors who: a) rent a car and have the rental papers in their possession, b) have DoD ID card in their possession, and c) have travel orders in their possession can be admitted at other than the Muldoon gate. **Any others, including vendors and contractors, customers of regulatory or construction, etc. MUST go to the Muldoon gate visitor center to apply for a base pass.**

ALL OTHER INSTRUCTIONS INCLUDED IN SECTION 00100 OF SOLICITATIONS, PERTAINING TO SPECIFIC INFORMATION REQUIRED TO OBTAIN A BASE PASS, WILL REMAIN IN EFFECT

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal

3.) If the decision of the Administrator is not favorable, an
interested party may appeal directly to the Administrative
Review Board (formerly the Wage Appeals Board). Write to:

- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:
